III. REGULAR AGENDA/PUBLIC HEARING AND COMMENT

2. Consideration of approving piñata pole art and its placement at Santa Fe, East Park (Kids' Kingdom).

Mr. White presented background information on this item. A local artist, Raul Ruiz, has proposed cut metal in the shape of a giraffe, 10' tall possibly painted with a pulley for a rope. The art work will be secured to the concrete slab. The board discussed the size being 8' instead of 10', so that an adult can reach to hang the rope. The Board also discussed funding, other locations available and adding colored Plexiglas. Mr. Havlak recommended the slab where the Concho Christmas Lights tree is set up as a temporary location. Ms. Franks made a motion to approve the trial location where the Christmas tree is set up and the art work with suggested changes in height, adding the colored Plexiglas and rhino lining. Mr. Le seconded the motion which passed unanimously.

3. Discussion of art for the sculpture well at City Hall.

Mr. White presented background information. This well is available for art work but has no funding. The Board discussed soliciting art from Angelo State University or having a contest for a temporary piece. The Board also discussed having a piece from the Salmon Sculpture competition placed at this location or having the space available for seasonal art work. Mr. Havlak stated that the art work can be dressed up with landscaping and additional lighting. This item will be brought back for discussion at a future meeting.
