SPECIAL MEETING FOR PRESENTATION INVESTMENT CONSULTANTS

OCTOBER 15, 2019

- I.** There was only one item for this meeting. The board discussed the need for an investment consultant on two levels. One is required by the PRB for a report due in May of 2020. The other is for a possible consultant to help guide our fund. Every board member was in attendance. David Byrd and Zach Reyes were also in attendance. After much discussion, the board tabled anything until next meeting hoping for guidance by the PRB.
